

Report on
2 Days Non-residential training programme of Progressive farmers and CRP members
on Agronomic Practices, Farmer Data Collection, implementation, planning, regular
follow up orientations etc.

At- ASSA office, Titilagarh.

Date: 25-10-22 & 26-10-22.

Introduction: The 2 days training programme was conducted at ASSA, office on 25-10-2022 and 26-10-22. The motive of training programme was to create awareness about millet cultivation, its agronomic practices and benefits of millets.

Objective- For the training program the resource person was Mr. Lal Bihari Mallick (Block Agriculture officer in presence of Chief guest Mr. Biseshwar Sahoo (Additional District Agriculture Officer)). The training was conducted for Progressive farmers and Community Resource Persons. It started with the introduction of Mr. Sanjib Pattanaik, Chief Executive, ASSA, introduction of Resource person, Chief guests, introduction of Mr. Krishna Kisku Block Coordinator, Ms Pragyasini Behera, Additional Block Coordinator and introduction of Progressive farmers. The farmers were aware about the benefits of millets, consumption of millets and how to increase production of millets as millets can be grown on barren lands using less water and less inputs. Also, people were aware about farming in the new technique of cultivation i.e., Systemic Millet Intensification as this is a new and effective way of growing millets which will result to higher yield than traditional method of cultivation. Along with that people were given awareness on organic method of cultivation and to decrease the use of synthetic fertilizers. On 25-10-2022 and 26-10-2022 the session started with the benefits of millet cultivation, then there was one hour lunch break which was arranged itself for the participants at the office and the second session was on the various agronomic practices to be practiced and how to prepare organic manures, and aware about appropriate time to apply them. There was also discussion about marketing facility provided for selling of millet at MSP and given awareness about various food products that can be prepared from millets and enhanced SHG members to prepare various food products and assured them for marketing of food products. Along with that there was a discussion about various problems faced by the beneficiaries, where Block Agriculture Officer Mr. Lal Bihari Mallick discussed and provided solution of the queries of the farmers. After the question-answer session the beneficiaries were given a task, to know how much they got involved in the two days training programme and they shared their feed-back.

Conclusion: With these, the motive of conducting this training program was successful the participants coming from different Gram-Panchayats gave a keen interest of knowing how to make different food products from millet, and practice new technology and practices that is cropping in SMI and also our motive to give awareness to people about cultivating millet was successful.
